## New Assyout 66/22KV, 2X25MVA TRANSFORMERS SUBSTATION

To whom it may concern

We hereby certify that **Electro Technique Co.** acted as our sub-contractor for the Testing and Commissioning works for the following:

- 1- Testing & Commissioning of 66 KV Switchgear.
- 2- Testing & Commissioning of 2X25 MVA Transformers.
- 3- Testing & commissioning of the MV Switchgear.
- 4- Testing & commissioning of the Substation Auxiliary Equipment (Auxiliary Transformers, AC and DC Systems).
- 5- Testing & commissioning of the Control, Protection panels and Marshalling kiosks.
- 6- MV, LV and Control cables Testing.
- 7- Testing of the Earthing Network.
- 8- Substation Energizing and Handing over to REA.

The work was completed to our satisfaction and the substation has been successfully energized with a very tight program in an efficient and professional manner.
