

FULL REFERENCE LIST

DATE: 2017

S.N	Project	Main- contractor	Site location	Country	Scope of work	Remarks
POWER STATION						
1.	'AlBrolous 4*1100 MW Siemens, combined cycle, 2 gas 400MW, one steam 300 MW, two HRSG, POB	ORASCOM	AlBrolous	Egypt	Full module E,M, IC (Combined)	
2.	'South Helwan, ANSALDO, one Boiler 650 MW full mechanical package plus auxiliaries, insilatonn & commissioning support	ANSALDO	South Helwan	Egypt	one Boiler Full Installation (Steam)	
3.	'South Helwan, Mitsubishi, Three Steam turbine 3*650MW full E, M, IC,Erection, dry test & Testing support	MHPS	South Helwan	Egypt	3*650 MW steam Turbine	
4.	West Damietta Power Plant (500MW)	Orascom	West Damietta	Egypt	All Mechanical CP101 Scope , Equipment Installation Large Bore Piping Works Support, Welding Carbon Steel ,Stack Fabrication , Stack Erection Turbine ,Generator ,Aux Installation And Alignment &Transition Installation &Air Filter Assembly And Installation &Exhaust System& Skids & All Duct Work Installation And Painting , Flushing , Insulation, Include Erection & Commissioning And Start Up Assistance + Bop	
5.	Mallawy & Samalout power plant "TM2500"	Elsowedy EET&D	Mallawy & samalout "elmenia	Egypt	All Mechanical CP101 Scope , construction & installation of TM 2500 Equipment Installation Large Bore Piping Works Support, Welding Carbon Steel ,Stack Fabrication , Stack Erection Turbine ,Generator ,Aux Installation And Alignment &Transition Installation &Air Filter Assembly And Installation &Exhaust System& Skids & All Duct Work Installation And Painting , Flushing , Insulation, Include Erection & Commissioning And Start Up Assistance + Bop	
6.	Suez thermal power plant	Ansaldo	suez	Egypt	Supply and apply for electrical scope of thermal boiler 650MW and pre commissioning activities	
7.	Aswan ii & High Dam	ABB	Aswan	Egypt	Electrical scope for high dam and aswan tanks and commissioning activities	
8.	Giza North Combined Cycle project (1500 MW)	INTEC Energia	Giza North	Egypt	All mechanical steam and super-heated system, piping works, supports, welding carbon steel and alloy ,PWHT, chemical cleaning ,flushing, insulation, steam blow include erection & commissioning and start up support . All non-destructive test, include WPS and PQR implementation.	
9.	Banha Power Station combined cycle project (750 MW)	Sepco III electric power construction corporation	Banha	Egypt	All mechanical Electrical CP101 scope , Equipment installation ,Large Bore piping works, supports, welding carbon steel , stack fabrication, stack Erection turbine , Generator , Aux .installation and alignment, & transition installation &air filter assembly and installation Exhaust system& skids & All duct work installation and Painting , Flushing , insulation, include erection & commissioning and start up assistance Electrical works include power and auxiliary transformer off loading and installation cable trays , cable laying , termination , instrumentation calibration and installation commissioning and start up	
10.	Toyota motor engineering Egypt aav	Toyota motor engineering Egypt aav	AAV	Egypt	All mechanical , electrical work installation of exhaust and ventilation equipment & skids & gantry portable gun and steel structure works including unloading and lifting

S.N	Project	Main- contractor	Site location	Country	Scope of work	Remarks
11.	Al shabab 1000 MW simple cycle gas turbine units	Kharafi National for mechanical and electrical work	Ismailia	Egypt	Install & Replace all DLN burners for 6 nos . Gas turbine units & combustion inspection work	
12.	Damietta simple Cycle power plant (500 MW)	Kharafi National for mechanical and electrical work	Damietta	Egypt	Install & Replace all DLN burners for 6 nos . Gas turbine units & combustion inspection work	
13.	Damietta simple Cycle power plant (500 MW)	Kharafi National for mechanical and electrical work	Damietta	Egypt	All mechanical Electrical CP101 scope , Equipment installation ,Large Bore piping works, supports, welding carbon steel , stack fabrication, stack Erection turbine , Generator , Aux .installation and alignment, & transition installation & air filter assembly and installation Exhaust system& skids & All duct work installation and Painting , Flushing , insulation, include erection & commissioning and start up assistance Electrical works include power and auxiliary transformer off loading and installation cable trays , cable laying , termination , instrumentation calibration and installation commissioning and start up	
14.	Sidi krir power station(750MW)	Toshiba Tsusho Corporation Egypt Branch	Sisi krir /Alexandria	Egypt	All mechanical BOP scope , Equipment installation , Large bore piping works ,support, welding carbon steel and alloy , chemical cleaning, flushing, insulation, steam blow include erection & commissioning and start up support .	
15.	Miltery,city Haycestep	Miltery	Egypt	Egypt	MV&LV , network of the city Civil, supply, erection and commissioning	
16.	Ain Sokhna boiler , punch list & commissioning	Doosan	Egypt	Egypt	Steam Power plant Punch item , commissioning support	
17.	Quraiah power plant simple cycle , one block 4 GE gas unit 4*110 MV	Bemco	KSA	KSA	KSA Design , erection of elec. Scope	
18.	Demiatta ,E&M,4 GE gas unit	Kharafi	Egypt	Egypt	Gas Mech. & Electrical erec. & Comm.	
19.	Qouriat,2 GE plant	Bemco international	KSA	KSA	Gas Design	
20.	Abo Qeir 2*650 M watt Boiler	Ansaldo	Egypt	Egypt	Combined Erection & Commiss.	
21.						
22.	Tebbin mechanical testing and commissioning	INITEC	Egypt	Egypt	Thermal Mechanical Hydro test and commissioning supports	
23.	Kurimat , solar plant , Electric balance of plant (IBERDROLA)	IBERDROLA	Egypt	Egypt	Combined/solar Erection & Commissioning Of EBOP	
24.	Kassim power plant (8 x 60 MW- GE F7), Project's complete Electrical engineering	Bemco international	Egypt	Egypt	SCPP Design	
25.	Riyadh-PP10 extension power plant (36x60MV-GE F7), projects complete	Bemco international	KSA	KSA	SCPP Design	
26.	Aswan , Naga Hammadie , Kurimate S/S's firefighting water and CO2 , Towers	Vatech-siemens	Egypt	Egypt	Mechanical of erection and commissioning
